

Join the Crew at Shenanigans RV Park in Branson! (Side Gigs & Local Talent)

**Body:**

Do you have a skill you'd like to pick up extra cash for? Whether you're a pro cleaner, a handy fixer, or a local musician looking for a cozy spot to play, we want to know you!

**Branson Shenanigans RV Park** is growing, and we're building a "Local Resource List." We don't always have 40 hours of work a week, but we frequently have projects, quick turns, or events where we need reliable, local talent.

**We are looking for people with skills in:**

- **Park Maintenance:** Landscaping, light plumbing, or general "handyman" fixes.
- **Hospitality:** Cleaning for office and guest areas inside it .
- **Entertainment:** Acoustic musicians/singers for our "Unplugged" campfire nights.

**How it works:**

This is an "on-call" list. When we have a project or a need that fits your skills, we'll reach out to see if you're available. If you are—great! If not—no worries, we'll catch you next time.

**To Join the List:** Please reply with your name, phone number, and a quick note about what you're good at. If you're a musician, feel free to link to a video or social page!
